The New Thornless BOYSENBERRIES

LIBRARY
 RECEIVED
 U. S. Department of Agriculture

WESTHAUSER'S Heavy Bearing Strains — Established Money-Makers

PRODUCTION of the Thornless Boysenberry is greater than its parent Regular Thorny Boysenberry which has produced over 6 tons of berries per acre.

VINES are smooth as a Grape vine with shoots 6 to 10 feet long. Easy to pick and handle. This means a labor saving not only to the commercial grower but also to the home gardener.

FLAVOR is a wonderful combination of Raspberry, Loganberry and Blackberry. It's a sensational satisfying taste with unmatched qualifications. Something you will long remember in fresh frozen Jams, Jellies, Pies, Cordials, Canned or Fresh.

HOW TO GROW BOYSENBERRIES

Set plants 8 by 8 ft. in and between rows. Let the vines creep on the ground the first year. To be safe, cover the plants with straw, leaves or soil before heavy frosts. When the buds appear, tie the vines to the wire trellis about 2 1/2 ft. above the ground. After fruiting, cut the plants to the ground and burn vines. Repeat this practice every year.

We, being pioneers in Boysenberries, are able to offer you Northern grown, healthy, heavy-rooted plants. Tested and hardened to the Northern climates and proven to withstand sub-zero weather. This is your insurance of absolute success.

Westhauser's Nurseries
SAWYER, MICHIGAN
 HOME OF HARDY NORTHERN GROWN QUALITY PLANTS

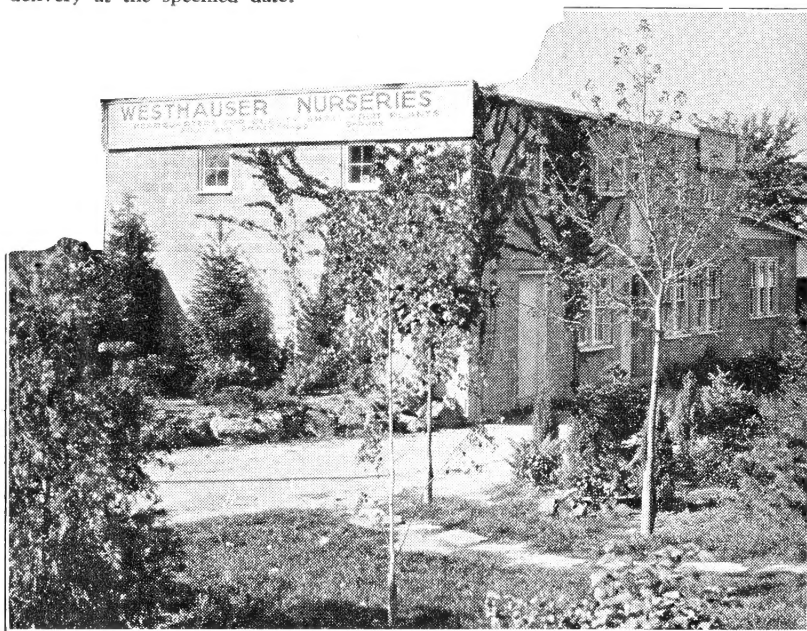

For many years we have been producing the best of nursery stock comparable with ordinary nursery stock. We do this by long experience and careful selection of the growing stock. We also are feeding hundreds of heads of stock in the most positive means of keeping our producing stock in the highest state of fertility, in turn producing the thrifty nursery stock we constantly offer our customers.

Hardy Northern Climate

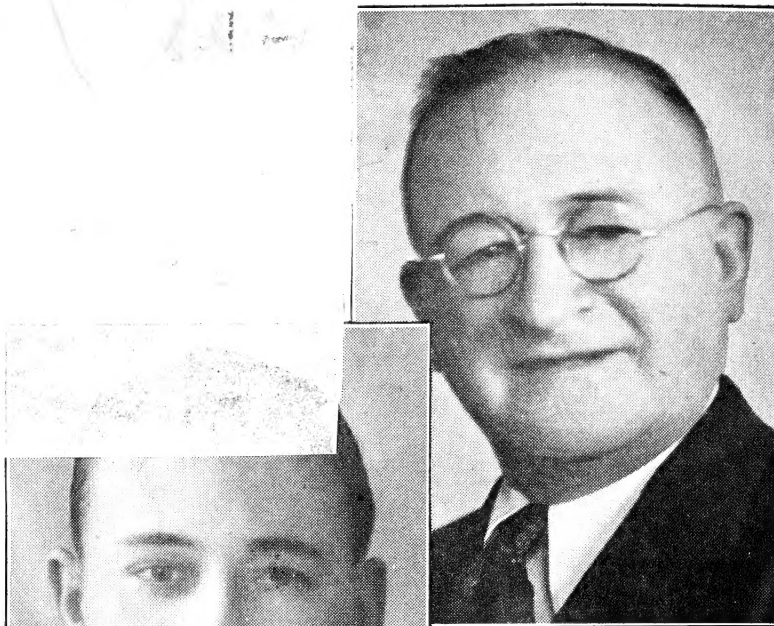

Our Northern climate in the Greater Michigan Fruit Belt is ideal for growing thrifty, hardy nursery stock. Our stock growing locations are near the lake which puts a damper on the winters, making the climate so that our nursery stock is practically dormant until late spring. Plants that are dormant so late in season have little foliage and carry well in transit. This is one of the reasons why our plants can be shipped long distances with the best results.

SEVERE SHORTAGE OF NURSERY STOCK ORDER EARLY

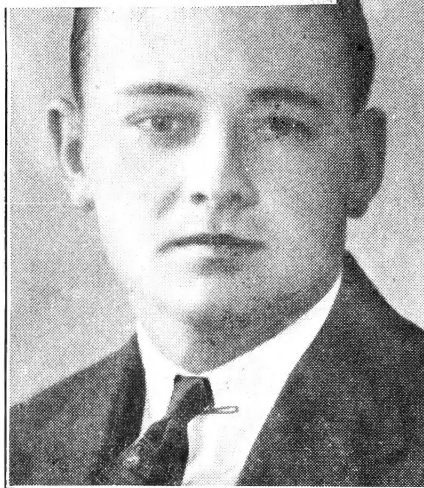

With the enormous shortage of nursery stock and the biggest shortage in its history, we again (as last year) will be forced to return thousands of orders for the lack of stock. In some of the large growing tracts in other states there is a complete crop failure. However, here the plants are well rooted and extra hardy as they had to go down to seek and find moisture. **We advise you to order as soon as possible and have your stock reserved, also insuring you of delivery at the specified date.**

INSPECTION CERTIFICATE

MICHIGAN STATE DEPARTMENT OF AGRICULTURE
Orchard and Nursery Inspection. Certificate of Nursery Inspection No. 651
This is to certify that the Nursery Stock of Westhauser's Nurseries, Sawyer, Mich., has been examined and found to be apparently free from dangerous insects and dangerously contagious tree and plant diseases.

Fee paid. CHAS. FIGY, Commissioner.
This certificate to be void after September 15, 1945, Bureau of Agricultural Industry, C. A. Boyer, in charge of Orchard and Nursery Inspection. Lansing, Mich., September 8, 1944. First Inspection, May 26, 1944.

Ohio.
Gentlemen: Everything arrived in excellent condition and on time specified. I am delighted the way your nursery handled everything. I certainly will not hesitate to recommend your organization to my friends.
FRANK P. WADOVIC.

HOW TO ORDER

WHEN TO ORDER. Order now on receipt of this catalog or as soon as possible thereafter and we will reserve your stock for you. Orders are booked in the order they are received and we ship as near the date requested as possible, according to weather conditions. Shipping date March 15th to the latter part of May.

HOW TO ORDER. An Order Blank is provided herewith for your con-

venience. Fill out clearly and be sure to print or write your name and address plainly, thus avoiding errors and delay. Remit by cash, money order or check. If cash is remitted, be sure to register letter.

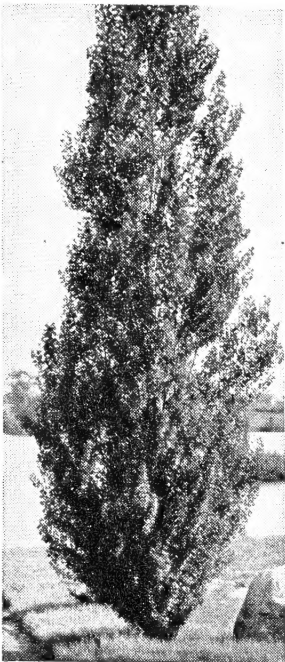

PAYMENTS AND TERMS. Cash with order; however, if your order amounts to \$10.00 or more, we will book your order with 25% down and balance 10 days before you wish your stock shipped.

WESTHAUSER'S BROAD GUARANTEE IS YOUR PROTECTION

WE GUARANTEE that our nursery stock is first class in every respect, free from disease, freshly dug, true to name, and to leave our packing house in good growing condition. We will, at our option, either replace free of charge or refund your money on any shipment which arrives in bad condition, providing claim is made within five days after arrival of shipment, with a signed statement from your Express Agent or Postmaster, showing the extent of damage. Our stock is carefully handled and full of vitality, and under ordinary conditions should grow for you. Report any error on our part immediately upon receipt of shipment.

GOVERNMENT REGULATIONS RESTRICT US FROM PRINTING OUR REGULAR SIZE CATALOG DUE TO THE PAPER SHORTAGE. THUS WE HAD TO OMIT MANY ITEMS THIS YEAR.

WESTHAUSER'S SHADE TREES

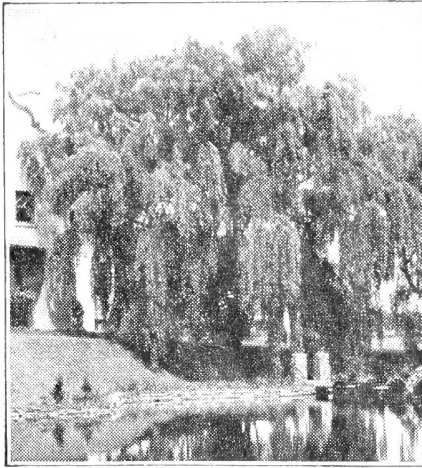

Lombardy Poplar

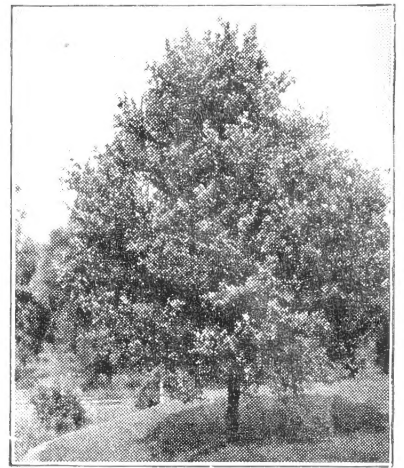

HARD or ROCK MAPLE. A well known native tree with very symmetrical, dense head. Beautiful foliage turns bright orange, sometimes orange in the autumn. Best shade for lawn, street or parks. 11/16 in., 6-7 ft., \$1.50 each; 3 for \$3.95. 1 inch and up, \$2.00 each; 3 for \$5.50.

LOMBARDY POPLAR. Tall slender tree with bright green leaves and silvery appearance on underside. 6-8 ft., \$1.00 each; 3 for \$2.50; 6 for \$4.50; 12 for \$7.75; 25 for \$13.50.

WISCONSIN WEEPING WILLOW. Grows rapidly. No shoots coming up from the roots. Long, fine leaves on long, sweeping branches reaching to the ground. 4-5 ft., 75c each; 3 for \$2.00; 6 for \$3.50; 12 for \$5.50; 25 for \$9.50.

Wisconsin Weeping Willow

CHINESE ELM

Very hardy and a splendid tree for the drier portion of our country. A rapid grower, well rounded head, grows to a tall, spreading tree. Almost any soil suitable. Our trees are very sturdy, 4 years old, twice transplanted and cannot be compared with spindly 1- and 2-year-old trees grown on muck land. 3-4 ft., 45c each; 3 for \$1.20; 10 for \$4.00; 100 for \$30.00. 4-5 ft., 75c each; 3 for \$2.00; 10 for \$5.75; 25 for \$15.50. 6-8 ft., **HEAVY BUSHY TREES**, \$1.75 each; 3 for \$5.00; 10 for \$14.75.

NORWAY SPRUCE. Deep green foliage, excellent for wind-breaks; an ideal Christmas tree. Fast grower. Twice transplanted. 12-18 inches, 70c each; 3 for \$1.60; 6 for \$2.50; 12 for \$4.75; 25 for \$9.00.

PFITZER'S JUNIPER. Low, horizontal growing Evergreen with bluish tint, foliage fine in texture. They are very graceful and particularly useful for foundation planting, in rock garden and in front of taller Evergreens. Packed and shipped with sufficient peat moss to insure good growth. 12-15 inches, \$1.00 each; 3 for \$2.75; 6 for \$5.00.

IRISH JUNIPER. Very symmetrical in outline. Glaucon green foliage. Usually grows not more than 8 or 10 feet in height with a very narrow diameter. These heavy-rooted trees are twice transplanted. 10-12 inches, 70c each; 3 for \$1.85; 6 for \$3.25. 18-24 inches, \$1.25 each; 3 for \$3.00; 6 for \$5.00.

COLORADO BLUE SPRUCE. Its steel-blue glistening foliage makes it desirable for lawn or grouping. Nice bushy trees. Will make rapid growth from now on. They have a wonderful root system; twice transplanted; packed with sufficient peat moss to insure good growth. 12-15 inches, 65c each; 3 for \$1.50; 6 for \$2.75.

MUGHO PINE. This dwarf Evergreen attains the height of 4 ft., has dark green needles produced in bunched groups, very compact grower, like a dark green mound. Will grow in semi-shade. A prize exhibit for border or foundation planting. 10-12 inches, \$1.00 each; 3 for \$2.75; 6 for \$5.00.

CHINESE JUNIPER. A rugged conical tree with prickly dark green foliage and large berries. 18-24 inches, 90c each; 3 for \$2.25; 6 for \$4.00. 24-36 inches, \$1.50 each; 3 for \$4.00; 6 for \$7.50.

ALL EVERGREENS ARE WRAPPED WITH ORIGINAL SOIL. IN ADDITION TO THIS WE ADD THAT PEAT MOSS WHICH IS IDEAL FOR THE BEST OF SUCCESS IN YOUR PLANTINGS AND GETS THEM OFF TO A ROARING START.

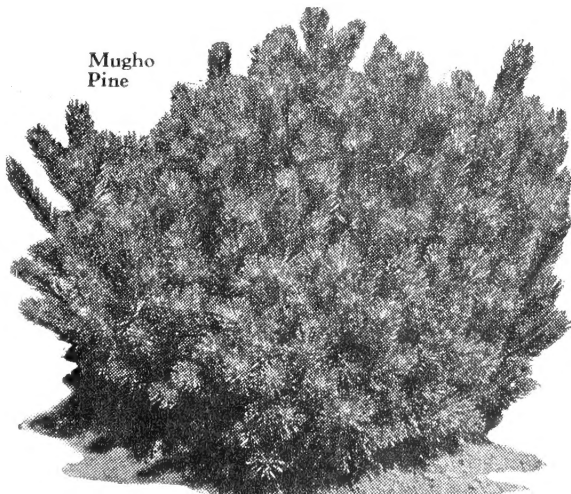

AMUR RIVER PRIVET. The hardiest and one of the most beautiful hedges. Glossy green leaves stay on long into the winter. 2-year, 18-24 inches, 10 for \$2.75; 50 for \$7.00. 3-year, 2 to 3 ft., 10 for \$3.50; 50 for \$10.00.

GIANT HYBRID BLUEBERRIES

• Beautiful • Profitable • Very Ornamental • Last a Lifetime

HUGE SUCCESS! PROSPERITY CREATOR FOR COMMERCIAL GROWER

Here in Berrien County in the Heart of the Fruit Belt local growers are planting Blueberries extensively and are reaping a rich harvest, ranging from \$500 to \$1,500 per acre. Each year they are increasing their acreage. Orders by these farmers are so numerous that it is not possible to propagate Blueberries fast enough.

CROSS POLLENIZATION

At least two plants should be planted together for cross pollenization. This insures more and bigger berries.

1-Year Rooted Cuttings

1-year or rooted cuttings—packed in peat moss, (see next page) can be used for transplanting.

Heavy Rooted, 2-Year Transplants

8 to 10 Inches

These heavy-rooted, 2-year transplants are well branched and ready to go. They are packed in Westhauser's Blueberry Grower (see next page), which can be used in transplanting.

3-Year Transplants

12 to 15 Inch Plants

Heavy-branched canes, whose root systems are comparatively heavy, with some fruit buds. Packed in Westhauser's Blueberry grower which can be used in transplanting. For special collections and Westhauser's Blueberry Grower, see next page.

Our Blueberries are exceptionally thrifty. Compare the size of our Blueberries with any of our competitors.

For Quick Results Plant GIANT 5-YEAR TRANSPLANTS

Bear a good crop the first year, averaging 2 to 3 ft. Your investment repaid in a short time. Big money later, considering a bush reaches its full fruiting stage at 9 years, a 5-year bush is well on its way and often pays more than its cost the first year. These plants are packed in Westhauser's Blueberry Grower, which can be used in transplanting. 5 year, 2-3 ft., 2 for \$7.90; 4 for \$15.00; 10 for \$35.00. Net, No Discount.

Westhauser's XXX Blueberry Grower

HOW TO GROW BLUEBERRIES SUCCESSFULLY

Make openings three or more times larger than the roots. Mix the dirt removed from the holes half and half with **Westhauser's Blueberry Grower**, or some acid material such as decayed leaves, rotten straw or vegetable refuse; firm this well around the roots of the plants. We recommend 1½ ozs. of Sulphate Ammonia to be deposited around a 2-year plant. For each additional year add a half ounce. This can be purchased at your local feed or hardware store.

The shipping weight of our XXX Grower for one 2-bushel sack is approximately 50 to 75 lbs. Have it shipped early by freight and save on transportation. Because of the uncertainty of freight shipments we will not ship freight after March 15th. Later than this we will ship by express.

PRICES: 1 bag (2 bus.), \$1.50; 2 bags (4 bus.), \$2.75; 5 bags (10 bus.), \$6.25; 10 bags (20 bus.), \$11.00.

NEW SILVER-BLUE PFITZER **Most Striking Evergreen Ever Introduced** (U. S. Plant Patent No. 422)

A new Pfitzer with a beautiful silvery blue color that is as intense and as even as the Koster Blue Spruce. Has all the fine qualities of the well known green Pfitzer. Grows a little more compact. Foliage is slightly finer. Entirely hardy anywhere. It's new! It's beautiful! See natural color photo above. Get yours now. Prices: 9 to 12 in., \$1.50 each; 3 for \$4.25; 6 for \$7.50; 12 for \$14.00.

NEW JACKIE Chrysanthemum

A charming wine color new introduction, averaging height of 2 to 3 feet and 24 to 36 inches through. These round compact bushes produce numerous blooms all at one time. Blooms in late summer to hard frosts. 35c each; 3 for \$1.00; 6 for \$1.75; 12 for \$3.00, prepaid. Net, no discount.

At Last!

An EVERBEARER which has EVERYTHING

This picture at left was taken on our farms in September and will give you an idea of the beauty of this wonderful berry.

**MINNESOTA
1166**

3 CROPS IN 18 MONTHS

When planted this spring, this wonderful berry will produce a crop in July and continue until late fall. Next spring these plants begin fruiting with the early June varieties. Then after a short layoff they will bear again in late summer until snow flies.

GIANT CONE-SHAPED BERRIES

The berries are streamlined, large and cone-shaped, very firm, excellent shippers, easy to hull, and unusually sweet. Truly one of nature's most remarkable finds for the Strawberry world.

Wisconsin.
Dear Friends: I want to let you know how much I appreciate your prompt shipment of my order for Poyensberry, Strawberries, etc. They arrived in tip-top condition. You have a friend that will remember when anything is wanted in the nursery line.

C. A. CRANE.

The Crimson Everbearer

SIZE AND APPEARANCE. The berries are large size, very uniform and hold their size even throughout dry weather. The color is a deep red, very glossy, and they have a very fancy appearance. Three full crops in 18 months.

FOLIAGE. For an Everbearer, GEM is a heavy plant maker and produces a larger fruiting row than any other Everbearer we know. The plants are very hardy, not subject to leaf blight.

FLAVOR. The berries are very sweet and have a flavor like the Progressive variety. The flesh of the berry is very fine grained and red clear through. Very little sugar is necessary to bring out the flavor.

FIRMNESS. The berries are extremely firm and stand long distance shipping well. If you are in the market for an outstanding, firm and fancy Everbearer, try GEM this year. Play safe, order now.

FLASH!

HERE IT IS *A New Find of Nature* **GIANT NEW ROBINSON**

This new, most encouraging Strawberry was introduced here in the heart of the fruit belt. After many consistent trials it has proven to be most outstanding, and a stirring sensation in Strawberry industry.

Firm, fancy, beautiful. Large as small Apples. Scarlet red to the core. Only being in existence a few years it has made a smash hit quickly. ROBINSON is of a beautiful glossy scarlet-red to the core, large as small Apples with a mild, juicy flavor. It bears over a long season, holding its large size to the last picking. The fruit is large and conical shaped, ripens a few days after the early Premier. It is very firm and stands shipping excellently. Being an excellent market berry, good canner and outstanding preserver, makes it a crashing hit. No doubt the fanciest and most attractive berry ever introduced.

FOLIAGE. The foliage of Robinson is a beautiful light green, thrifty and heavy.

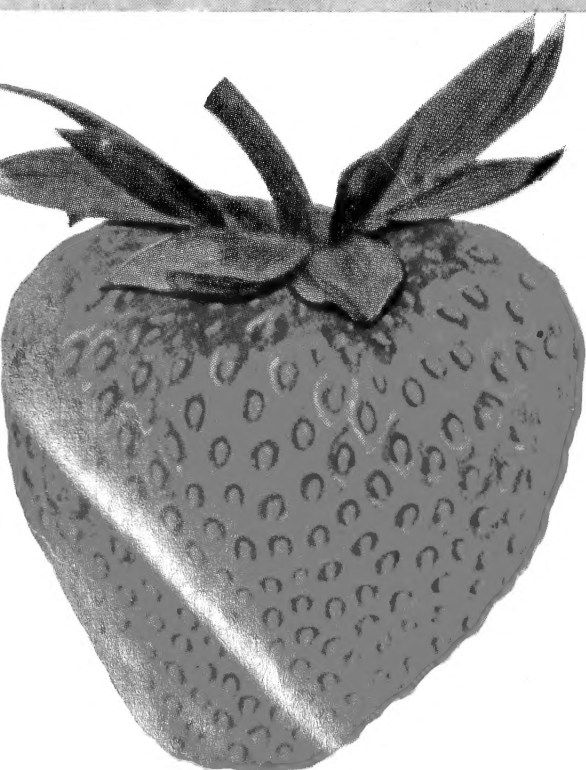

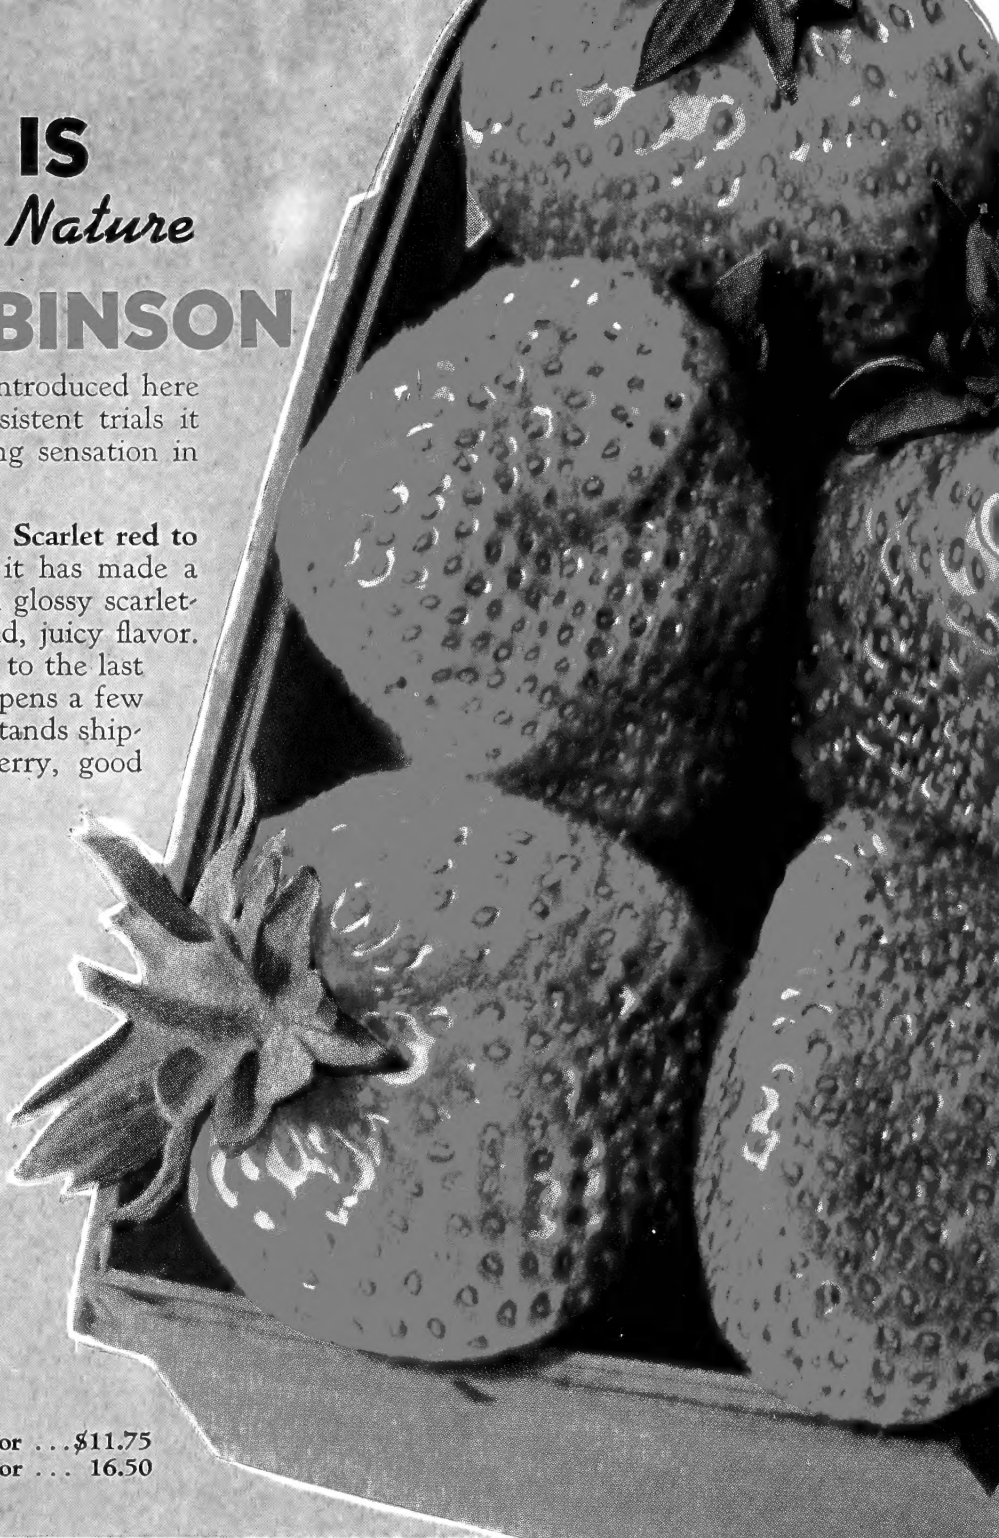

HEAVY PLANT MAKER. ROBINSON places its runners profusely and always makes an ideal picking row.

Buyers Scramble to Get Robinson

Buyers now, at the largest fruit market in the world here in Benton Harbor are interested in getting this berry. Their first word is "have you ROBINSON?" They have a waiting list of select, fancy, retail trade which are waiting for this berry. Plant now and reap the **big cash** returns next spring. Order this "Find of a Lifetime" now as the demand is enormous.

Catskill

This huge berry CATSKILL was introduced by the New York Experiment Station. It grows and thrives excellently on any kind of soil. The plants shoot runners profusely and properly space them so you are insured of a full fruiting row. The berries are borne well off the ground. They are of a mammoth, large, brilliant glowing red to the heart. Deliciously flavored. Each berry matures uniformly in size, shape and color. It has a firm flesh and skin. Excellent for market or home berry, good shipper.

RED BARBERRY

Abundance of thick purplish red leaves, contrasting luxuriously with the green and yellow of other plants. Bushes have low-growing habit. Can be pruned any time to desired height and width. Lovely for borders, hedges, foundations, groups and lawn specimens. Red berries in winter. Set plants 1½ feet apart in full sunlight. Prices: 2 to 3 ft., 60c each; 6 for \$3.25; 12 for \$6.00.

Original Grand Champion

Only from WESTHAUSER can You Buy the Original Strain

LONGEST SEASON JUNE-BEARER EVER DEVELOPED. Grand Champion was found as a single seedling on a decaying tree stump, produced 30 plants, which were set out on a space of 66 square feet. We harvested 105 quarts of berries off this setting the next spring.

ENORMOUS CROPPER—OVER 13,400 QUARTS PER ACRE—BEARS OVER 40 DAYS. During harvesting we picked 1920 quarts from a trifle less than one-seventh of an acre or the equivalent of 13,440 quarts per acre. We began picking the middle of the Premier harvest and were still picking Grand Champion with the later varieties.

FROST PROTECTION. The Grand Champion blooms over a long period. Blossoms are protected from late spring freezing by its tall mass of foliage.

BERRIES OF FINEST QUALITY. For canning and preserving they are in a class by themselves, as they are coreless and retain their shape and flavor in the can. Their rich red color, the extra large size, beautiful appearance and high quality attract the fancy fruit buyer.

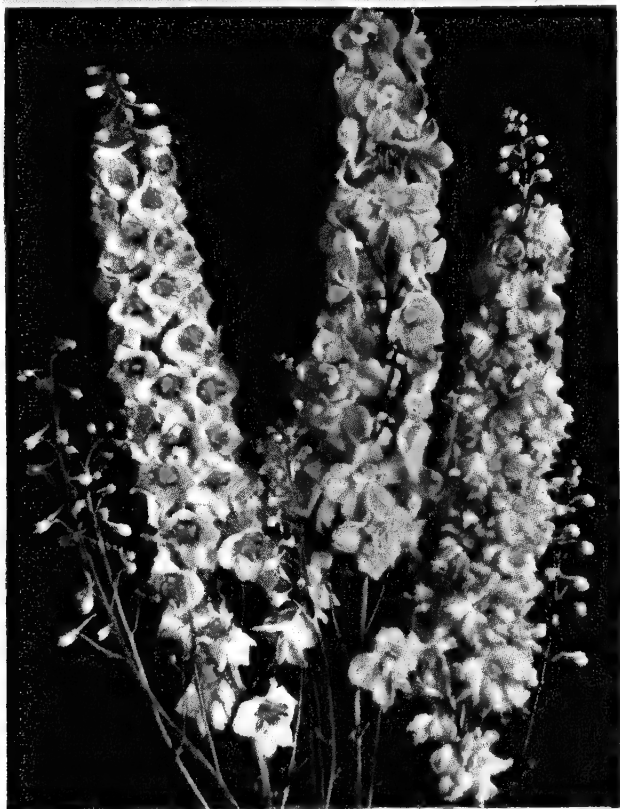

GREAT MASTER

A New Late Money-Maker

Great Master was found as a seedling and after trial testing for some time it passed our most rigid tests and exceeded our fondest hopes. The plants are large and thrifty, make many runners, but space their plants far enough apart to insure large berries. The large, firm, sweet berries have an individual flavor. This berry is one of the most outstanding finds for the Strawberry world. **PRICES:** 25 for \$1.50; 50 for \$2.40; 100 for \$3.50. Net, no discount.

New Pacific Hybrid DELPHINIUM

This elegant strain of Delphinium is almost beyond description. Flower spikes 3 to 5 feet long closely packed with individual flowers measuring from 2 to 3 inches across. Mostly two-tone double, ranging from lavender through deep purple, and blue through dark blue. Just the touch of color needed to make a charming planting complete. The plants are resistant to mildew. Stems are wiry and strong enough to resist high winds. **PRICES:** 3 for \$1.10; 6 for \$1.90; 12 for \$3.00. Prepaid, no discount.

CHINESE MAGNOLIA

(Soulangeana)

This magnificent Magnolia is the aristocrat of all flowering ornamentals. It produces large cup-shape blooms 3 to 5 inches across. Blooms early in the spring before its leaves unfurl. Leaves are large and glossy. A highly ornate specimen at all times of the year. Grows 18 to 20 feet high. They attract admirers and they will come by your home just to see its amazing beauty. This variety is the hardiest and is adapted to northern climates.

Magnolia Prices

18 to 22 inches, \$2.25 each;
2 for \$4.00; 6 for \$11.00.

EXTRA HEAVY BUSHY SPECIMENS, 24 to 36 inches, \$3.50 each.

Favorites of the Commercial Grower

Premier.

PREMIER

is one of the earliest commercial Strawberries to ripen. It is the one older standard variety which has stood the test for over 20 years. It gets on the market early while there is a good demand and practically no competition. This alone makes it a prize money-maker. The berries are large, of a beautiful red appearance, very firm and stand long shipping well. It holds its size well to the last of the season. Premier is supreme for eating, canning, local and long distance hauling. It is an all-purpose Strawberry. The plants are very productive, sturdy, long rooted, good drought-resisters and make a good fruiting row on any kind of soil.

Westhauser's BLACKBERRIES

Eldorado—Productive, Firm and Profitable

The choice of commercial grower and housewife for the good old-fashioned jams, pies, preserves and fresh fruit for the table, coming just after Raspberry season, when but little other fruit is available. They ripen 10 days after Dewberries and the harvest extends to the fore part of September; they are the last of all spring and summer berries in the season and the trade is willing to pay well for them. The canes grow sturdy and upright, and are hardy enough to need no winter protection.

The berries are large, uniform in size, jet black, and do not turn red after being picked. They have a flavor that always calls for more and are firm enough to ship to distant markets, assuring good prices.

Its hardiness and freedom from disease, especially orange rust, the common enemy of all Blackberries, has made ELDORADO the leading variety with the commercial grower.

ELDORADO 1-YEAR PLANTS are individual plants; that is, part of the roots of the old plants are cut off and planted in spring. They produce a nice fibrous root system and a good top growth.

Alfred—The Coreless Blackberry

The coreless Blackberry, originated in Michigan, the state that produces fruit with the flavor. The color is a glossy jet black, the flavor sweet and delicious, and it is nearly seedless and coreless. A hardy plant that produces mammoth berries, often 1 3/4 inches long. It does equally well in cold sections. Why not include a few in your order and get started raising this profitable berry?

Eldorado Blackberry

"CORKSCREW" WILLOW A Distinct Novelty Tree

If you are looking for something distinctly "different" and novel in trees, you will not be disappointed in this "Corkscrew" Willow. Same easy growing habit and same type of foliage and growth as the Weeping Willow, but instead of hanging straight down the branches grow in spiral shape like a corkscrew. Trees grow shapely but present an odd appearance with their "screwy" branches.

HEAVY ROOTED 3- TO 4-FT. TREES

\$1.35 Each; 2 for \$2.50

Fredonia

Westhauser's Heavy Rooted

GRAPE VINES

Fredonia (Black)

A winner. This new variety threatens to displace all other black Grapes. A new, very early Grape, originated and thoroughly tested by the New York Experiment Station. The clusters and berries are large, with excellent flavor. Ripens fully ten days before Moore's Early and is an excellent shipper, as it does not crack. This Grape fills a long-felt need—a juicy, delicious black Grape that ripens early. Vine vigorous and productive. One of the best new varieties.

Caco (Red)

This new Grape is outstanding for its beauty and quality. Color wine-red, flavor unusually rich, rivals in appearance and flavor Grapes grown under glass. Caco was awarded a medal by the American Institute of New York, a high honor for achievement.

QUICK FRUITING

Fancy Grape Collection

- 1 CACO (3-yr. bearing-age).
- 2 FREDONIA (3-yr. bearing-age).
- 1 GOLDEN MUSCAT (3-yr.).

\$249

Net, No Discount

OUR GRAPE PLANTS are known the country over for a fast growing, heavy bearing strain. They will produce delicious fruit, when established, for a long time. Many thousands of our customers are reaping both pleasure and profit from their investments.

Golden Muscat

This new hardy California Grape can now be grown in every section of the country. This variety is the result of the cross of the Muscat Hamburg and Diamond, which are very desirable in themselves. This cross makes a hardy, heavy bearing vine, and the quality of the fruit is similar to the white Cal-

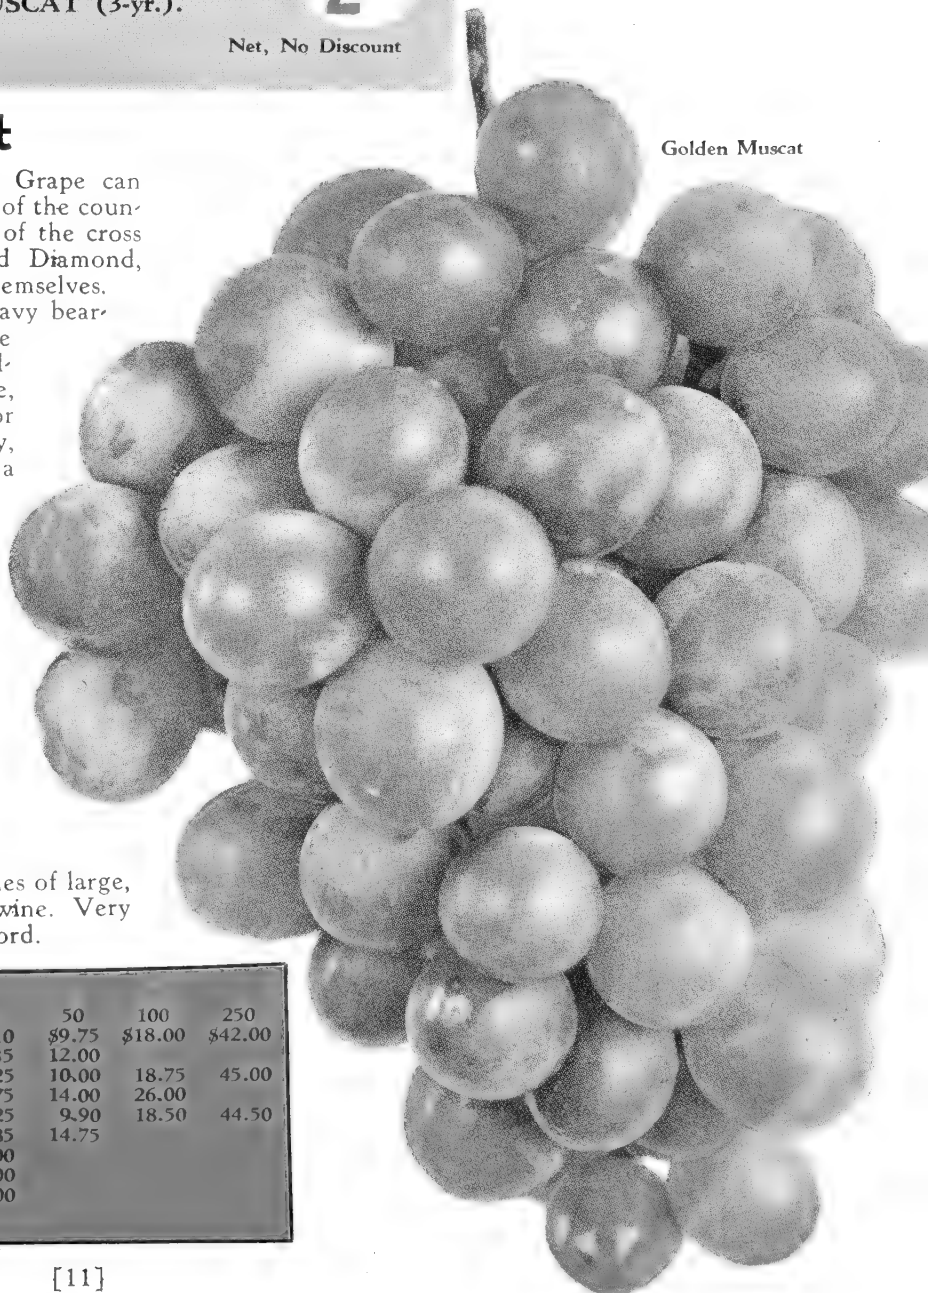

ifornia Grape sold at all fruit markets. The berries are large, sweet and meaty, making it a wonderful variety to grow for home use and roadside stands. The bunches are large, heavy, broad shouldered, and tapering. Very compact. Being such a productive plant, we advise a good complete commercial fertilizer every spring, and you will be delighted with the crop. Supply of plants limited.

Concord (Blue)

Most popular Grape for eating, table use, wines, jams, jellies and commercial. Grows on all kinds of soil, and produces large crops. The bunches are large, compact and well-shaped; berries are dark blue and very juicy. Plants are exceptionally hardy. Fruits in October. Here in the heart of the Fruit Belt thousands of truck loads are shipped annually. ORDER NOW, STOCK IS SHORT.

Niagara (White)

The leading commercial White Grape. The compact bunches of large, fine-flavored, juicy berries are in big demand for table and wine. Very productive and hardy. Ripens about the same time as Concord.

Early Wonder

Westhauser's Raspberries

It's Earliest and It's Thornless

This variety was discovered here in Michigan several years ago by Mr. Henning, who discovered it in a patch of Latham. Now he, as other wide-awake farmers are growing Thornless EARLY WONDER EXCLUSIVELY. EARLY WONDER is a combination of tested and proven merits. The large sturdy plants have silky wood, NO STICKERS. The berries are borne in large, beautiful bright red clusters, and are very firm. They do not crumble and are excellent shippers. A delicacy, either fresh, canned, fresh frozen, in preserves and jellies.

Labor Saver

Commercial growers will appreciate these stickless plants as they can be handled easier and more cheaply. The home gardener will enjoy raising these THORNLESS RED RASPBERRIES.

Sold Exclusively by Westhauser's Nurseries

After years of constant observation of the habits of this berry, we have come to the conclusion that EARLY WONDER should be introduced to the Raspberry world, and made available for all Raspberry lovers.

We have a limited supply this year to offer our customers. Order now before our supply is exhausted, obliging us to return your money. Be the first in your locality to introduce this outstanding variety.

MORRISON BLACKCAP

The Elephant of the Blackcap Family

12 Plants Now Only \$2.50

Net, No Discount

Even larger than the Cumberland. This new variety was found growing wild in Girard, Pa., by county agent Paul Croosman of Erie County. Mr. Croosman was attracted by its unusually large berries, many of them an inch in diameter, which held their size to the last. The plants are strong and thrifty, also free from disease. The berries are highly flavored, firm, jet black and not very seedy. Fortunately we obtained a small quantity of these plants at a fancy price for propagating purposes, and now we have a limited amount of hardy, northern-grown plants available for our customers. Order now.

CUMBERLAND

The Leader of All Blacks

The best dependable leader of all Blackcaps. It does exceptionally well in any climate; produces biggest cash crops. Will grow and thrive excellently on any well-drained soil. It is the firmest of all Black Raspberries and holds its size to the end better than any of the Raspberries of today. It does not crumble while picking. Buyers pay top prices for this beautiful, most attractive, large, rich Blackcap. The seeds are comparatively small and their luscious sweet flavor makes them a favorite to eat fresh, for table or canning, delicious fresh frozen. We have the finest lot of Cumberland to offer this year (both in the 1 and 2 year) we have seen in a good many years. Order now and have your stock reserved.

Cumberland

LATHAM

(Midseason)

The Most Profitable Standard Commercial Red Raspberry

Undoubtedly the best medium to late variety, it thrives and produces in all localities. It does not winter-kill even at 45 degrees below zero. The large, beautiful, rich dark red berries often measure an inch in diameter, they are firm and have a good keeping quality, excellent for canning and shipping as well as for table use. Ideal fresh frozen berry.

MR. W. J. BEUSCHLEIN OF DETROIT, MICH. WRITES:

"I want to tell you about the Latham transplants I bought of you. I set out 500 plants in March and in July I sold enough of these wonderful berries to pay for more than double the cost of the plants. I never heard of such a remarkable record for the first year. Next spring I will set out 5 acres; can you supply me with plants? I am more than satisfied and thank you for your co-operation."

Indian Summer

The Giant Everbearing Red Raspberry

Two Crops in One Year!

The Double Bearing and Double Profit Red Raspberry

6 Giant Extra Large Plants Only \$2.00

12 for \$3.50; 25 for \$6.50; 50 for \$12.25; 100 for \$23.00

It bears a full crop in June and another in the fall. The berries are long, deep mammoth red, small cavity, very rich in flavor. The plants are hardy, tall and in production they will par or outyield any red. Very good fresh, canning and shipping quality.

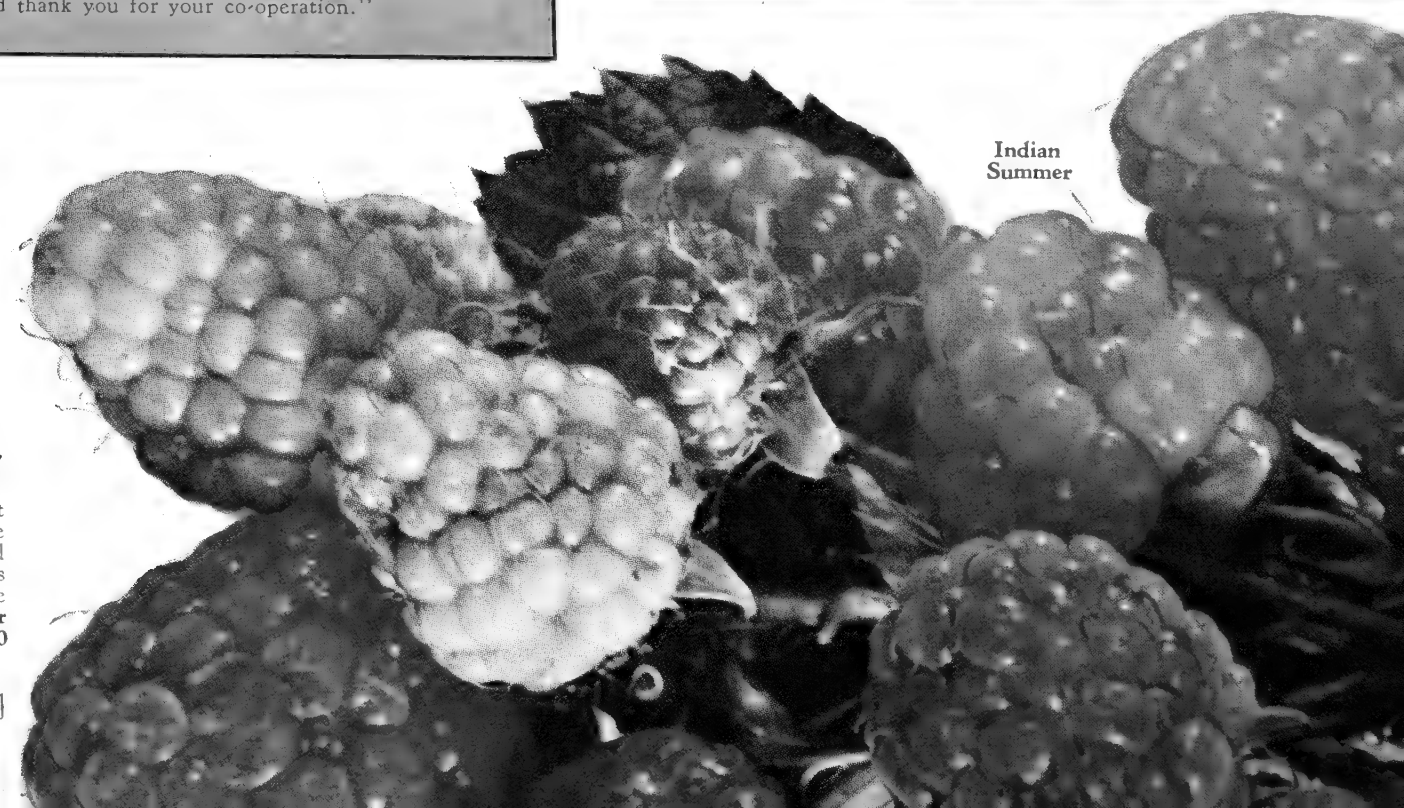

Morrison Blackcap

LILY-OF-THE-VALLEY

The old-fashioned perfumed aroma first love flower. A mass of deep green foliage with stems loaded with many beautiful bell-shaped flowers of a pure white, edges are softly rolled and fluted. A favorite with all flower lovers. 3 for 60c; 6 for \$1.00; 12 for \$1.50; 25 for \$2.25; 50 for \$4.00.

Indian Summer

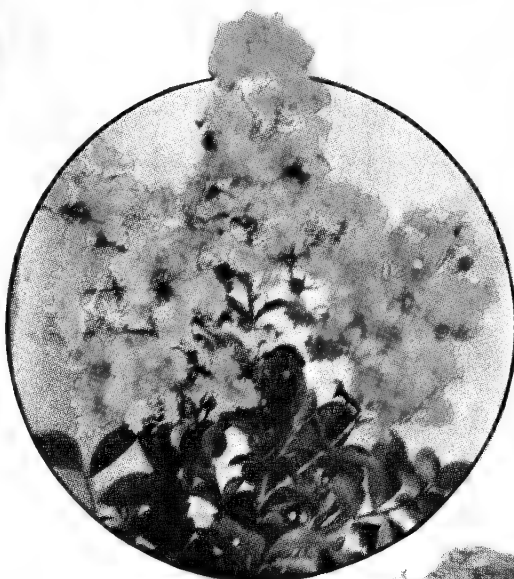

GOLDEN QUEEN

Raspberry

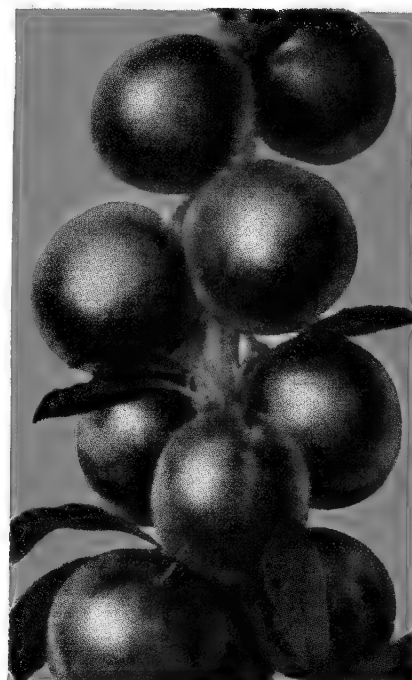

Six Extra Large 2-Year Plants
Only \$2.75

This rich golden yellow Raspberry is not only a novelty but in many cases is grown in preference to the red and black Raspberry because of its sugar sweet flavor. Plants are vigorous growers, berries large, and immense producers. Get some for your garden now.

PRICES: 2-yr. No. 1 plant each 60¢; 3 for \$1.50; 6 for \$2.75; 12 for \$5.00. WILL FRUIT THIS YEAR.

Jumbo HANSEN BUSH CHERRY

CRAPE MYRTLE → Watermelon-Red

This NEW DAZZLING shrub has long been the Southern Beauty. Now it is available in hardy form acclimated to our Northern climate. For flower lovers this is a prize to add to your collection. Something your friends and neighbors will delight in viewing. Get yours now. PRICES: \$1.00 each; 3 for \$2.50.

MARY WASHINGTON

Asparagus

Giant Stalks

NEW MARY WASHINGTON was introduced by the United States Department of Agriculture. It is now the leading variety for home and on the market. It is rust resistant, producing crisp, green, compact stalks, sometimes up to an inch in diameter. Get started this year with this full-of-vitamins "greens."

The demand for this delicious vegetable increases every year—the first greens from your own garden in the spring. 100 to 150 roots will supply the average family.

FOR COMMERCIAL GROWING. The first money crop in the spring. Fancy stalks for the stores and markets. The number 2 grade for canning and canning factories. Here in Michigan the harvest commences the latter part of May. Asparagus once established will last from 10 to 20 years. 5000 roots will plant 1 acre.

Everbearing BLACKBERRY

This new large Everbearing Blackberry of jet black color has a fine spicy flavor, honey sweet, few small seeds and no core. Starts to bear in July and continues until winter. The plants are drought and disease resistant. No garden should be without some of these plants. Supply limited. Order now. PRICES: Extra heavy, 2-yr. bearing size, each \$1.50; 3 for \$2.75; 6 for \$5.00.

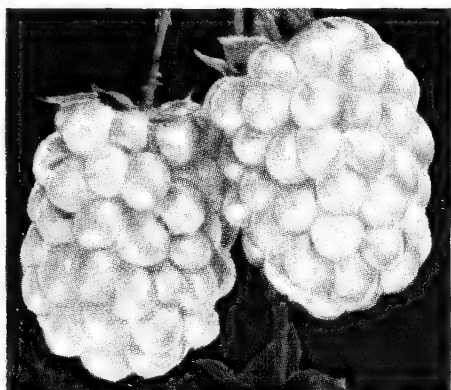

Bore a Crop Last Year— Will Produce a Heavy Crop This Year

A rapid growing shrub, can be planted singly or in groups, also makes a gorgeous hedge with its snow-white blooms. Bush Cherry is hardy and easy to grow. They will thrive where sweets will not. The Cherries are large and Plumlike, fine for eating fresh from the bush. They have a wonderful flavor, **most outstanding for jams.** The bush grows from 4 to 5 feet. Foliage is very attractive, silvery green turning to red and gold in the fall.

Our large, stocky, 4-year-old, well-branched bushes cannot be compared with the common run of bushes which will take from 2 to 3 years to bear.

EXTRA HEAVY FRUITING SIZE, FULL OF FRUIT BUDS: 3 to 4 ft., \$1.00 each; 3 for \$2.75; 6 for \$5.00; 12 for \$9.00.

Crystal-White BLACKBERRY

Strange as it may seem, this is a real creamy white honey sweet Blackberry. Mixed with the jet black ones for dessert, it makes a most wonderful dish. The fruit is about the size of Alfred with few seeds and very sweet when fully ripe. The bushes are good, strong growers and very productive. This is not a worthless novelty, but a fruit of real value, and should be in every garden. Two-year giant transplants, bushes which will bear a good crop of berries this year, starting in August.

PRICES: 3-year, extra heavy giant plants, 50c each; 3 for \$1.25; 6 for \$2.25; 12 for \$4.00. 2-yr., transplants, 3 for \$1.00; 6 for \$1.85; 12 for \$3.00.

MacDonald RHUBARB

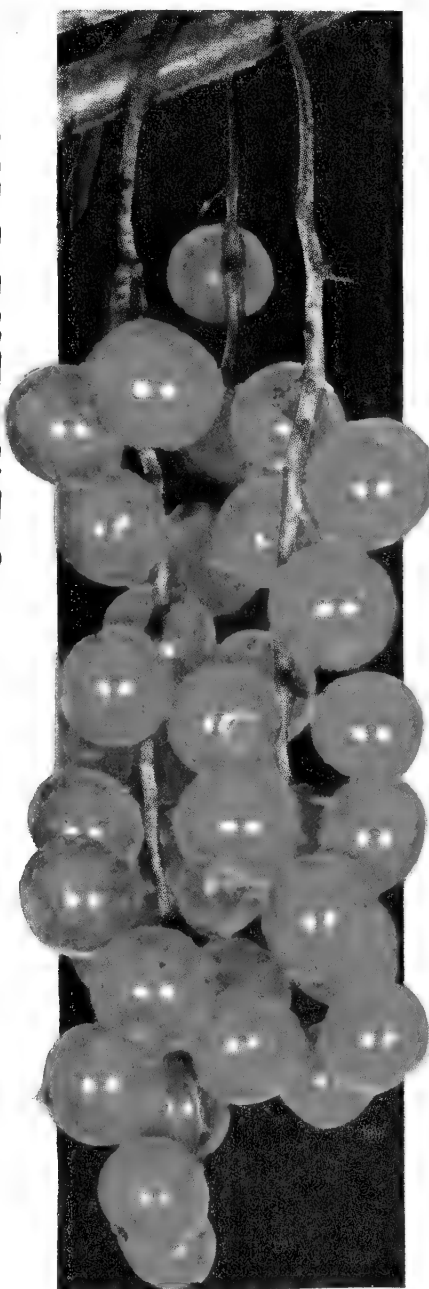

The last word in Rhubarb. Prof. L. G. Bunting, of the MacDonald College, in Quebec, Canada, where it was originated, says: "It is very highly colored, a dazzling, attractive red stalk, of large size, productive, very tender and succulent, and of excellent quality; particularly valuable for pies and desserts." Its color, when cooked without peeling, is as attractive as that of Raspberries. Not grown from seed. Plants propagated by division. Try some this year. You will like it.

MacDONALD RHUBARB PRICES: 80c each; 3 for \$2.00; 6 for \$3.75; 10 for \$6.20.

Thornless DEWBERRY

Another amazing discovery in the Thornless family. Easy to pick, easy to handle (no stickers), hardy, thrifty, succeeds anywhere. Berries are large, glossy black, sweet and juicy. Extra delicious fresh, in pies, jams and jellies; makes excellent wine.

PRICES: 1 yr., No. 1, 40c each; 3 for \$1.00; 6 for \$1.75; 12 for \$3.00; 25 for \$5.00. 2 yr., No. 1, \$1.00 each; 3 for \$2.00; 6 for \$3.50; 12 for \$5.50.

RED LAKE *Currant*

Outbears Others Two to One

Double your crop and profits by raising these big, very productive Currants. The bushes are thrifty and exceptionally hardy, very easy to grow. The berries are a pleasure to pick, being large, dark red in color, and on long, well-filled bunches. Originated in the Northwest where the temperature reaches 40 below zero. They ripen in early midseason and last over a long period. Order early; supply limited. **PRICES:** 2-yr., No. 1 plants, 75c each; 3 for \$1.95; 10 for \$5.75; 25 for \$11.50.

Alabama, Nov. 11, 1944

Westhauser's Nurseries, Sawyer, Mich.

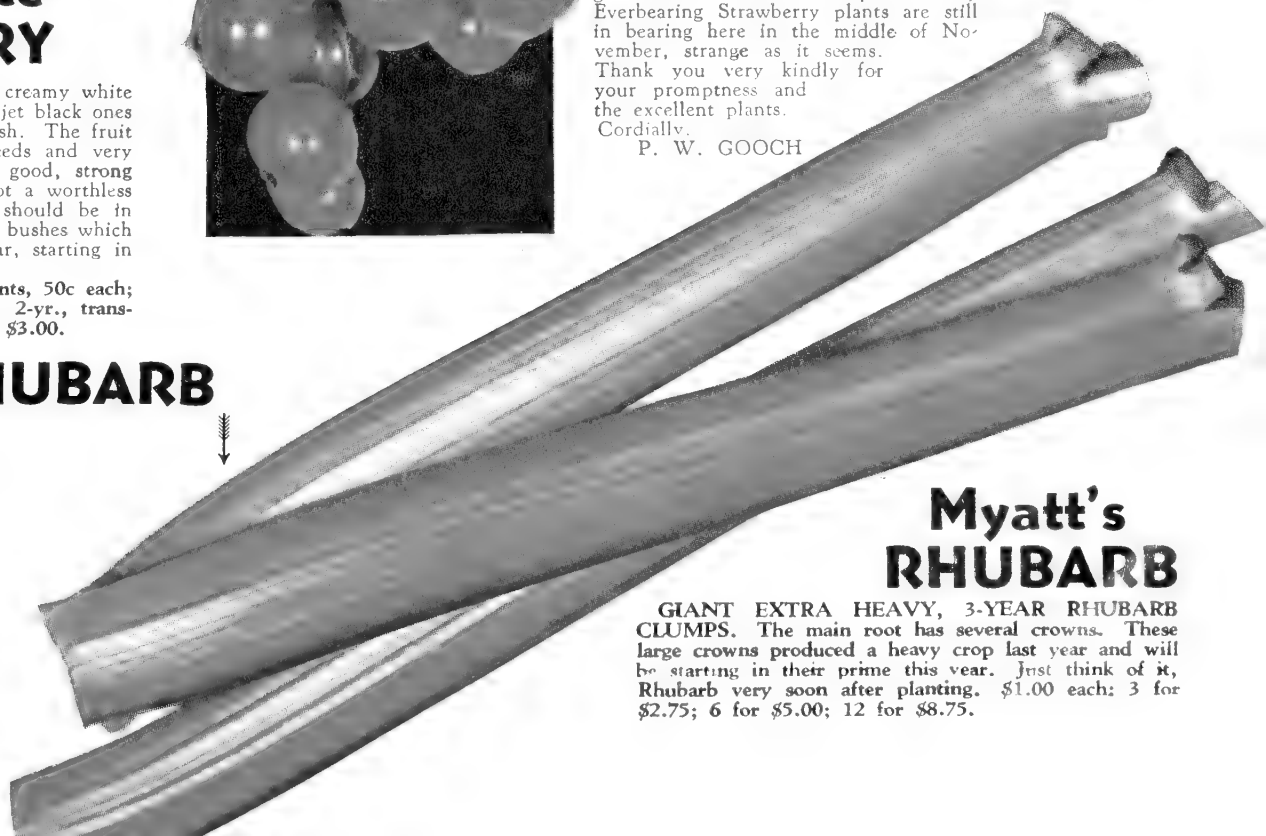

Dear Sir:

All of the plants and trees arrived in good order and have been planted. My Everbearing Strawberry plants are still in bearing here in the middle of November, strange as it seems.

Thank you very kindly for your promptness and the excellent plants.

Cordially,

P. W. GOOCH

Myatt's RHUBARB

GIANT EXTRA HEAVY, 3-YEAR RHUBARB CLUMPS. The main root has several crowns. These large crowns produced a heavy crop last year and will be starting in their prime this year. Just think of it, Rhubarb very soon after planting. \$1.00 each; 3 for \$2.75; 6 for \$5.00; 12 for \$8.75.

DOUBLE RED DELICIOUS. (Fall, winter.) This new Double Red Delicious colors about 3 weeks earlier than the common Delicious. In August, when the regular Delicious are still green, Double Red Delicious are red all over and are ready to bring fancy prices. Our supply is limited—order early and play safe.

JONATHAN. (Late fall, winter.) Grand, good winter Apple. Bright, solid red. Flesh white, sometimes tinted with red; firm, fine, crisp and tender. A splendid family sort and highly profitable for market. Tree long-lived, productive and an early bearer. Keeps well and will stand much handling.

McINTOSH. Medium in size. Fruit is beautiful red, somewhat striped. Flesh is white, crisp, and highly flavored. The tree is hardy and vigorous, and starts to bear young, and heavily. A favorite market and eating Apple. Ripens in September and October. Good storage Apple.

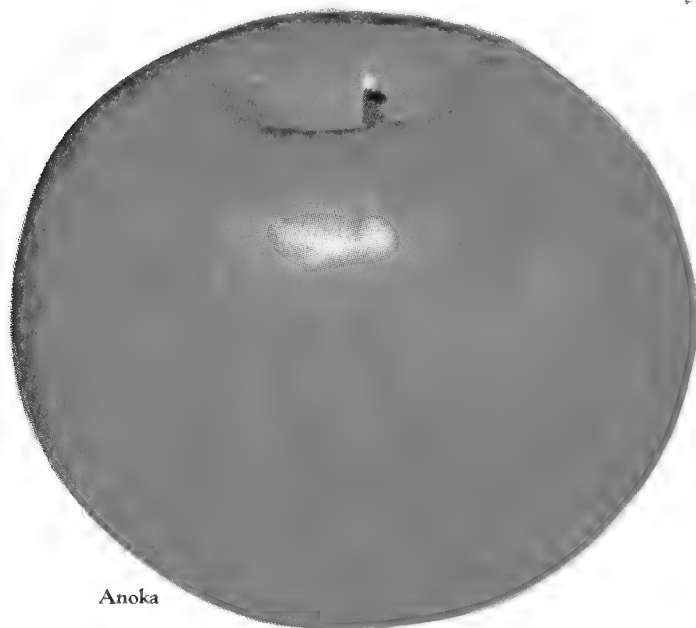

SNOW APPLE. Medium. Deep crimson, flesh white, very juicy and tender.

YELLOW TRANSPARENT. (Early.) The finest extra early yellow Apple. Ripens late in July and continues in season until September. Fruit good size, waxy yellow. Flesh white, mild, juicy, sweet.

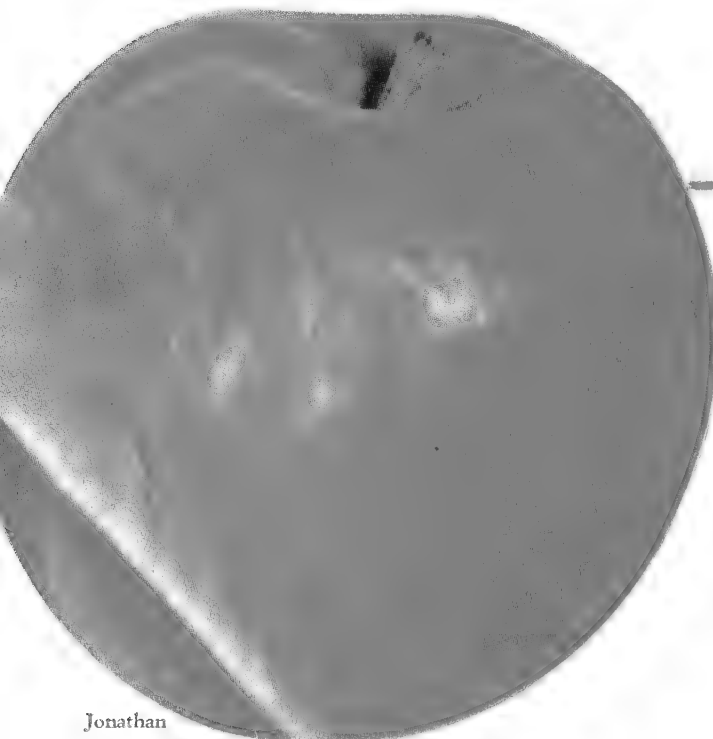

WEALTHY. Ripens late summer and early autumn. Perfectly hardy, vigorous and productive. Fruit large, red streaked with white. Quality good. A profitable market sort.

Double Red Delicious

Anoka

Jonathan

ANOKA

The Old Folks' Apple

NO WAITING. Anoka bears the first year after planting. Commonly known as the Old Folks Apple because of its early bearing. Best early summer Apple. Very hardy, will grow in any climate. Fruits in August. The fruit is excellent for eating, sauce or pies. The Apples are large, red and striped. The tree is of a semi-dwarf type, making picking an easy chore. You should have one or more of these trees in your yard which will furnish a good supply of fruit without years of waiting.

ROSE ACACIA or MOSS LOCUST

A gorgeous, showy shrub, with light green pinnate leaves and long, graceful clusters of pea-shaped, rose-pink flowers, blooming during the months of June and July. A beautiful shrub planted alone or in series, outstanding for cemetery plantings. \$1.00 each; 3 for \$2.50.

PEACHES • PEARS

REDHAVEN

Earliest, Dazzling, All-Red, Self-Pollenizing Peach.
The Maturity of Redhaven is from Three Weeks to One Month Before Elberta.

During the early Peach season, while the Peaches are green, Redhaven is of a bright brilliant red, ripening 3 weeks to 1 month before the standard varieties, this making it assured of avoiding price competition and obtaining top market prices. A sure hit, and big money maker. REDHAVEN is a fruit of medium size, free-stone, self-pollenizing, completely covered with a bright red, smooth skin. It is rich in flavor, sweet and abundantly juicy, meat being of fine grain and red to the pit. Excellent shipper.

PRICES: 9/16 inch, 4-5 ft. trees, \$1.50 each; 3 for \$4.00; 5 for \$6.00; 10 for \$11.00.

HALE-HAVEN. (Early Yellow Freestone.) This wonderful new Peach was introduced by the Michigan State Experiment Station, South Haven, Michigan. It is a cross between South Haven and J. H. Hale. A large, beautifully colored, yellow-fleshed Peach ripening about two weeks before Elberta, a perfect freestone, extremely high color; colors a few days before it is ripe on the tree, therefore can be picked reasonably green for long distance shipping. 7/16 to 9/16 in., 3-4 ft., 90c each; 3 for \$2.50; 10 for \$7.00; 25 for \$17.50. 9/16 to 11/16 in., 4-5 ft., \$1.00 each; 3 for \$2.75; 10 for \$9.60; 25 for \$20.00.

ELBERTA. (Midseason.) The Standard of all Peaches. The outstanding midseason variety by which all midseason Peaches are judged. Grown over the entire country for both commercial and garden purposes. Very large, yellow with red blush cheek, very juicy, highly flavored. Hardy, vigorous grower, does well in all Peach growing sections. Ripens fore part of September. 7/16 to 9/16 in., 3-4 ft., 90c each; 3 for \$2.50; 10 for \$7.60; 25 for \$17.50. 9/16 to 11/16 in., 4-5 ft., \$1.00 each; 3 for \$2.75; 10 for \$9.60; 25 for \$20.00.

Old-Fashioned Bleeding Heart

3 for \$1.35

Heart-shaped flowers with little pendants like little drops of blood. Plant likes shade, grows 24 inches high with 15- to 18-inch spread. Blooms in May. Prices: 50c each; 3 for \$1.35. Less Discount.

Seedless Pear

(Patent Pending)

Endorsed by Prof. Ellenwood, Ohio Agricultural Experiment Station. **Triumphs in quality and flavor. Every bit a delight. Smooth and melting, juicy, sweet and packed full of rich flavor. No seed. No core. Just solid white Pear all the way through.** As large as Bartlett. Waxy yellow skin with russet flecks and red cheek. Easy to can. Serve smooth halves or whole Pears for fine salads and desserts. Ripens 10 days after Bartlett. Trees usually bear when three years old, and produce enormous crops.

Prices: 9/16 in., 4-5 ft., \$1.95 each; 3 for \$5.75. 11/16 in., 5-6 ft., \$2.25 each; 3 for \$6.60.

[17]

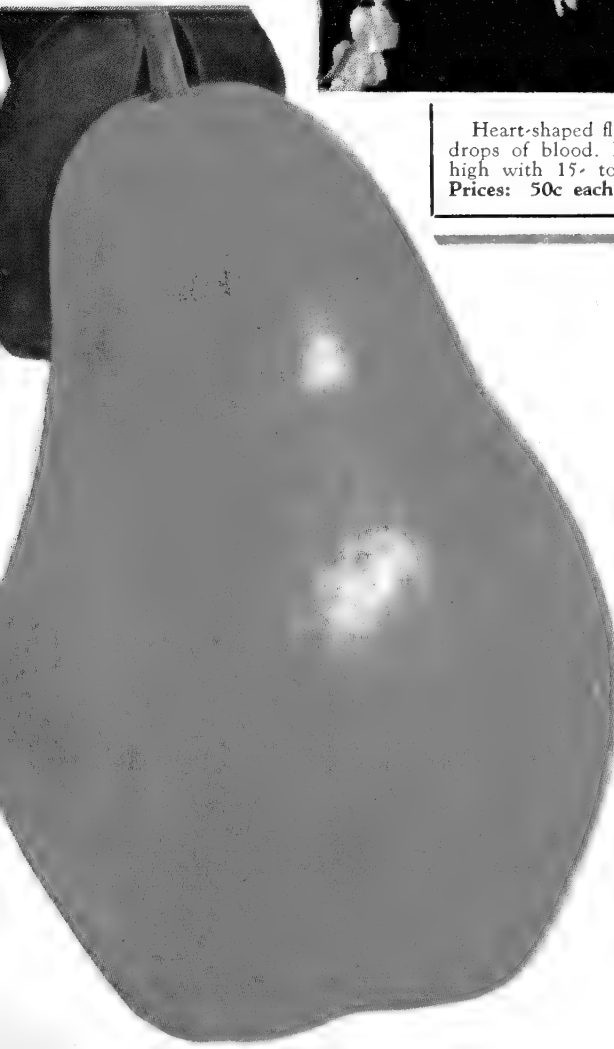

PAINTED DAISIES

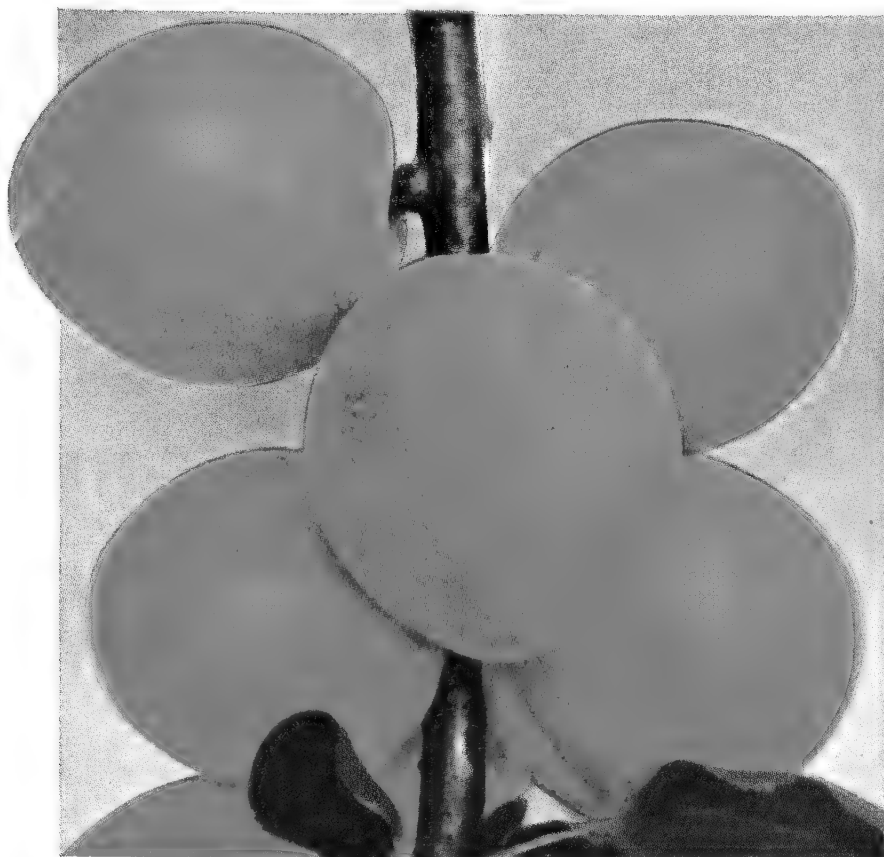

Beautiful daisy-like flowers, hardy and easy culture, long, erect stems in gorgeous assorted colors. Fernlike foliage and brilliant shadings make them very desirable for cutting, extra long season of blooms. Grows about 2½ feet tall. 25c each; 5 for \$1.00; 10 for \$1.75, prepaid. Net, No Discount.

BARTLETT PEAR

The most popular Pear for home use and market; a leader among canning Pears. Large, golden yellow with reddish blush on the sunny side. Flesh tender, melting and juicy, with delicious, musky flavor. Tree vigorous, erect, bears abundantly.

PRICES: 3½-5 ft., \$1.50 each; 3 for \$4.25.

MOORPARK *The Standard Hardy Apricot*

Large, roundish oval, orange with a faint reddish blush cheek, yellow flesh. It is a perfect free-stone of wonderful quality. Ideal for desserts, fresh from the tree, fresh frozen, dried or canned. The trees grow somewhat larger than the average Peach tree and are just as hardy. Moorpark ripens the first part of August. A hardy, rare, practical productive fruit. Plant this year. **Supply limited.** Prices: 7/16-9/16 in., 3½-5 ft., \$2.00 each; 3 for \$5.50; 6 for \$10.00; 12 for \$18.50.

Cherries SWEET and SOUR

MONTMAMMOTH — The New Sour Cherry ENORMOUS SIZE FRUIT

MONTMAMMOTH is a Montmorency strain. The **only one** with that outstanding, tantalizing flavor, and enormous sized cherries; often measuring three inches around.

28 YEARS SUCCESSFUL BEARING

The mother tree has come through with a fine crop for 28 successive years. Never a crop failure with MONTMAMMOTH.

VERY HARDY— FROST RESISTANT

Has stood extremely low temperatures for a number of days while in bloom.

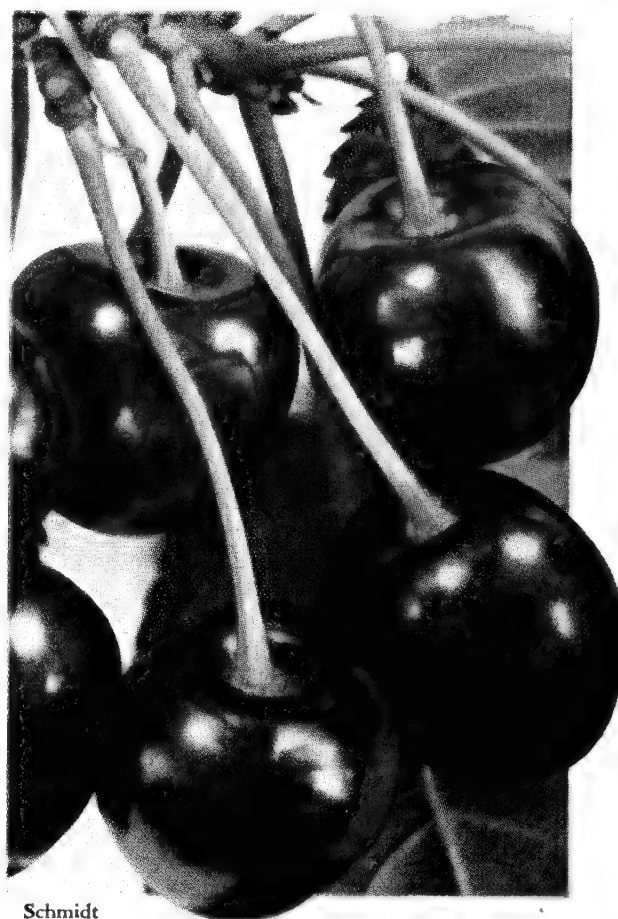

BEARS YOUNG —EASY TO PICK

Often bears a light crop the first year after planting. The low, spreading trees are easy to pick.

Montmammoth prices: 7/16 in., \$2.00 each; 3 for \$5.75.

Montmammoth

Schmidt

WINDSOR

(Sweet.) A late variety, valuable for market and desirable for home use. Fruit large, dark red. Flesh firm and sweet. Resists rot and clings to tree long. Write for special quotations on larger lots. Prices: 7/16 to 9/16 in., 3-4 ft., \$2.00 each; 3 for \$5.75; 10 for \$17.25.

SCHMIDT The Best Dark Sweet Cherry

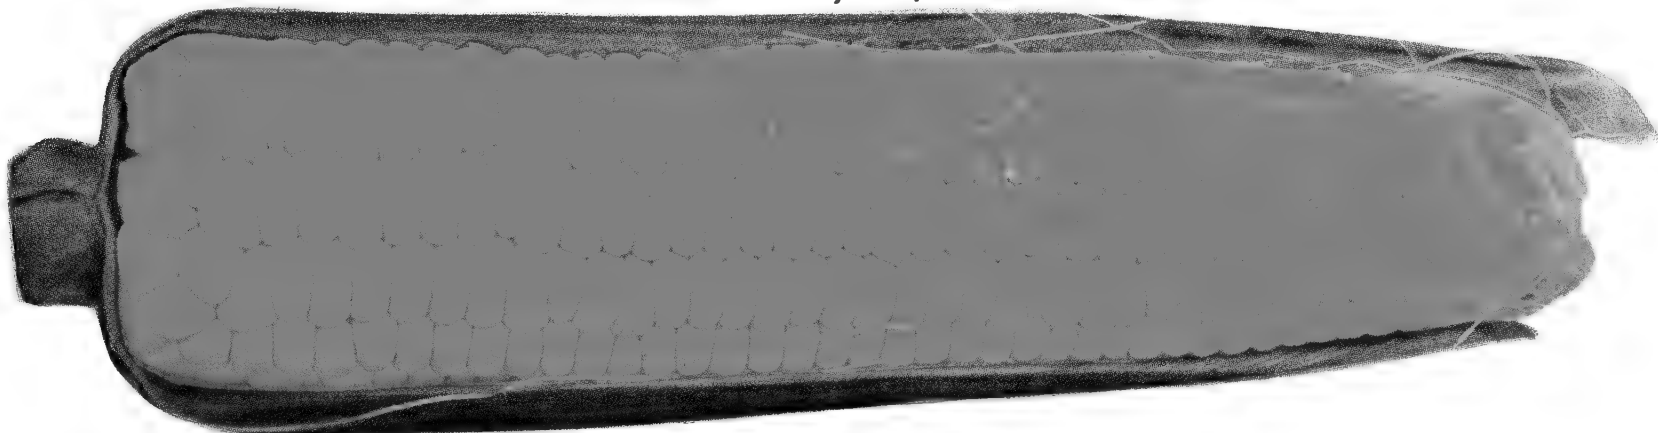

An excellent market Cherry. Fruit is very attractive and keeps well. Deep crimson-red color. A heavy producer of extra large, tender, juicy fruit. Write for special quotations on larger lots. Prices: 7/16 to 9/16 in., 3-4 ft., \$2.00 each; 3 for \$5.75; 10 for \$17.25.

LARGE MONTMORENCY The Best Sour Cherry

Best large, late pie Cherry, ripening the latter part of June. The fruit is extra large, bright red, firm, and fine for shipping. A strong grower, perfectly hardy, bears young, and a full crop. This variety is very scarce the country over; order early and avoid disappointment. Write for special quotations on larger lots. Prices: 7/16 to 9/16 in., 3-4 ft., \$1.65 each; 3 for \$4.80; 10 for \$15.00.

Packet of over 150 seeds, 25c; 2 for 35c; 10 for \$1.00. No Discount.

ROCK-O-HONEY MUSKMELON

Here is absolutely the last word in a Melon. It's a cross of the Honey Rock and Hearts of Gold. They are large, solid as a rock. Sugar-sweet, tender, fine grained. Smallest seed cavity ever seen. Golden orange-yellow. Pkt., 25c; 1 oz., 60c; ¼ lb., \$1.95; 1 lb., \$7.00. No Discount.

WATERMELON, King of the Earlyies

This medium sized, extra early striped variety is hard to beat for the northern part of the United States. Gets red clear to the outside and as tender and sweet as can be. Truly a wonderful Melon. Pkt., 30c; 1 oz., 60c; ¼ lb., \$1.25; 1 lb., \$3.00. No Discount.

Westhauser's New RED GIANT TOMATO

The largest rich red Tomato. Solid thick meat, few seeds. Medium early. Pkt., 30c; ½ oz., 60c; 1 oz., \$1.00. No Discount.

COTONEASTER Divaricata

A beautiful uncommon shrub that has a graceful spreading habit of growth. Ideal for planting in front of taller growing shrubbery. The tiny, dark green, shiny holly-like leaves turn red and orange in fall, and hang on the bush well into winter. The great profusion of white flowers are followed by beautiful, conspicuous clusters of red, egg-shaped fruit. Hardy and easy to grow. We offer you strong 15- to 18-inch, 2-year plants at the exceptionally low price of ONLY 50c each; 3 for \$1.00; 6 for \$1.90; 12 for \$3.50.

ORANGE BUTTERFLY PLANT

(Asclepias Tuberosa)

THE ONLY HARDY PLANT HAVING
TRUE ORANGE FLOWERS

This attractive plant produces an immense number of flowers during the months of July and August. Brilliant orange. It can be successfully grown in any type soil in any locality. Reaches height of 2 to 2½ feet. Withstands the most severe winters and the hottest summers, producing flowers year after year with no attention. Grows native in some sections of the country. Blooming size roots especially priced at only 40c each; 3 for \$1.10; 6 for \$2.00, postpaid.

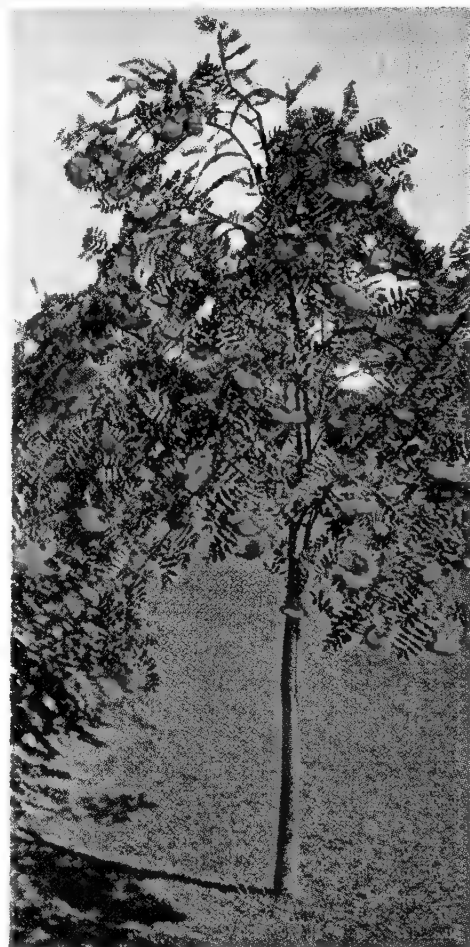

HOPA Flowering Crab

Hopa is undoubtedly the most beautiful Flowering Crab that can be grown successfully in the North. It is an upright tree entirely covered with beautiful rose-crimson flowers which last a long time, followed by the fruit which is red throughout and lingers until late fall. The fruit is excellent for canning or jellies. Tree is very hardy and disease free. Most sensational for single or group planting. Heavy, 3½ to 4 ft., \$1.15 each; 3 for \$2.65; 6 for \$4.85.

EUROPEAN WHITE BIRCH

A large, thrifty, vigorous, upright tree with handsome leaves and a brilliant white bark. Complete your lawn with one of these outstanding trees. Note the young trees have a reddish bark which turns to a pure white a year or two after it is planted. Prices: Sturdy, 4-5 ft. trees, \$1.50 each; 3 for \$4.00; 6 for \$7.50.

EUROPEAN MOUNTAIN ASH

(Sorbus Aucuparia)

A hardy, medium size tree; head dense and regular. Covered from July until winter with large clusters of bright red berries. Reaches height of 25 to 30 feet. Beautiful and attractive. Prices: Strong, well branched trees, 5-6 ft., \$1.50 each; 3 for \$4.00. 6-8 ft., \$2.50 each; 3 for \$6.00.

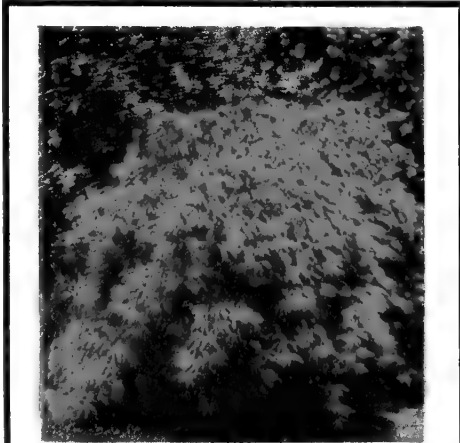

2-COLOR ALTHEA

SPECIAL—NEW—NOVEL. Red and white blooms on one bush! Be the first in your neighborhood to grow this unusual beauty. Prices: Large 2 to 3 ft. bushes, \$1.00 each; 3 for \$2.00; 6 for \$3.75.

PURPLE FRINGE

An enchanting treelike shrub, enveloped in midsummer with showy masses of purplish misty flowers resembling beautiful clouds of drifting smoke. Attractive brilliant scarlet and golden autumn foliage. A hardy recognized garden beauty. Prices: Hardy, 2-yr., 2-3 ft., \$1.00 each; 3 for \$2.75.

Blood-Leaf Maple

Beautiful indented blood-red leaves in summer which dulls to a bronzy purple-red or bronzy green toward fall. PRICES: 2 ft. and up, branched, \$1.75 each; 3 for \$4.75; 6 for \$9.25.

Winter Daphne

WINTER DAPHNE (Garland Flower)

This exquisite shrub blooms in February in mild climates. In the North it comes in full bloom the first part of March. The clusters of rose-purple to violet flowers have a sweet, fragrant aroma. The long narrow leaves are bluish, which appear after blooming and remain into the winter. A hardy shrub not over 4 feet high which loves shade and moist locations, also does well in sunny places. Wrapped in peat moss, in which it can be planted as it is an acid-loving plant. \$1.25 each; 2 for \$2.00; 4 for \$3.50.

Sweet Bay

HYBRID FRENCH LILACS Will Bloom This Year

Leading the parade ahead of all the Lilacs. These varieties bloom very young, with mammoth panicles measuring 7 to 12 inches, clusters of gorgeous fragrant blossoms. Budded on hardy non-suckering roots. 2 to 2½ ft. bushes with a few bloom buds, 80c each; 3 for \$2.10. Net, no discount.

Mass of Bloom Buds

Sturdy, heavy, 3 ft. and up, \$1.00 each; 3 for \$2.75; 6 for \$5.00. Net, no discount.

Clematis

CLEMATIS Blue-Velvet, Lavender and White

Nature's drapery that clings and climbs. The richly colored, delightful, fragrant flowers and pleasing foliage makes Clematis a favorite for adorning the porch, trellis, gateway, wall or arbor. Blooms profusely from early summer until late autumn. Ideal for cut flowers. Adapted to any type of well-drained soil. These plants were a magnificent array of color this year. 2-yr., No. 1, field grown, blooming size, \$1.00 each; 3 for \$2.85; 6 for \$5.50.

LYTHRUM "The Perfect Perennial"

Ideal for perennial or border planting. Spike after spike covered with deep rose-colored flowers—a mass of blooms from June to September. Make room for new flowering branches by cutting the spikes after they have flowered to maturity. Grows 3 to 4 ft. high. Thrifty, field-grown, BLOOMING SIZE, 55c each; 3 for \$1.50; 6 for \$2.75; 12 for \$5.00; 25 for \$10.50.

SWEET BAY (Magnolia Glauca)

Blooming period for this beautiful Magnolia is in July. The flowers resemble Giant Gardenias in fragrance and shape, opening with cream color and gradually acquiring an apricot tint. Foliage is almost evergreen and of a rich, glossy green. In early spring the shrub lends color with its cheerful bright stems. Grows to about 10 feet. 10 to 15 inches, 80c each; 3 for \$2.00; 6 for \$3.80. 2-yr. blooming size, 20 inches and up, \$1.50 each; 3 for \$4.00; 6 for \$7.50.

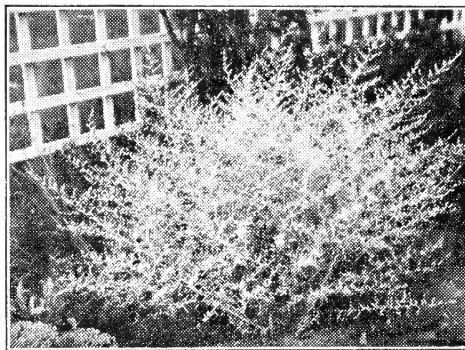

Lythrum

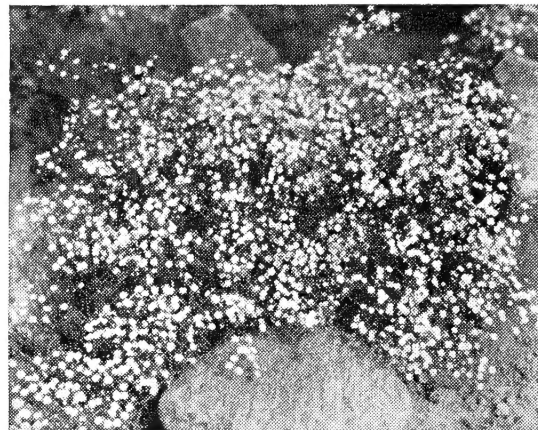

EARLY DOUBLE DAISY

This large flower blooms at Decoration Day and continues throughout June. DOUBLE DAISY blooms profusely and is very hardy, delicate and beautiful; grows from 24 inches to 30 inches high. 40c each; 2 for 70c; 4 for \$1.25; 6 for \$1.80. Prepaid, no discount.

GHOST PLANT 6 for \$1.00, Prepaid

Looks as if dusted with fine silver dust; foliage ghostly, silvery white. Fine background for lower plants of brilliant colors. Grows 2 to 3 feet high, spread 18 inches or more. Very hardy; thrives in sun or shade. Ordinary soil, plant 15 to 18 inches. 3 for 60c; 6 for \$1.00. Prepaid, net, no discount.

NEW BABY'S BREATH

Imagine, double flowering Baby's Breath, first pure white later changing to a delicate flesh pink. It starts blooming in early spring, and continues through the entire summer. Foliage light green, leaves pointed; grows about 20 inches tall and is ideal for border planting. 40c each; 3 for \$1.10; 6 for \$1.90; 12 for \$3.50. Prepaid, net, no discount.

SEDUM SIEBOLDI

The aristocrat of Sedums. Foliage round and a beautiful grey-blue, borne thickly on stems 6 to 8 inches long. 25c each; 3 for 60c; 8 for \$1.35. Prepaid, net, no discount.

BLACK WALNUT TREES

Black Walnuts are so easy to grow, and hardy practically everywhere. Richly flavored kernels are useful for many purposes. The trees produce graceful fronds of leaves. Ideal for lawn and shade purposes. High timber value. Prices: 3 to 4 ft., 50c each; 2 for 90c; 5 for \$1.75. Net, no discount.

VITAMIN B₁

Vitamin B₁ reduces the shock in transplanting. **HOW TO USE IT:** Dissolve 1 tablet in a gallon of water, sprinkle plants immediately after transplanting. In case plants, shrubs or trees are already planted, soak soil around the roots with solution. Dormant or bare-rooted plants should be soaked in solution not less than one-half hour or more than one hour before planting. Endorsed by leading agricultural and horticultural papers. 12 tablets for 25c; 50 for 65c; 100 for \$1.00, postpaid. No discount.

NUT TREES

Hardy Northern Grown PECANS

Just as hardy as the Hickories, and should not be confused with Southern-grown stock. Our trees are Michigan-grown and have withstood a temperature of 17 to 20 degrees below zero without injury. They are ideal for shade trees, as they are practically immune from insects and do not shed their leaves until late in the fall. Prices: 3 to 4 ft., \$1.50 each; 3 for \$4.00. Net, no discount.

NUT Collection

- 3 BLACK WALNUTS
- 3 HARDY PECANS

FOXGLOVE

Shirley Hybrid

The flower heads are over 3 feet long, crowded with big, bell-shaped blossoms. Colors range from white and shell-pink to deepest rose, many attractively dotted crimson or chocolate. Strong, field-grown plants, 30c each; 4 for \$1.00; 10 for \$2.00. Net, no discount.

[23]

BLUE SKYLARK ASTER

Planted in May, we actually counted 800 blooms on 1 plant. We are listing this wonderful Aster with Mum family. They have about the same blooming season, from early September to November. Blue Skylark is a very thrifty plant, grows from 2½ to 3½ feet high, can be planted for border planting or in back of smaller flowers like Glads or Mums on account of its great height. They are fine for individual bouquets or fit in beautifully with Glads, Mums, or other fall flowers. Prices: 25c each; 3 for 70c; 10 for \$2.00; 25 for \$4.00. Net, no discount.

Everblooming Carnation Strong Field-Grown Plants

This dazzling red everblooming Carnation starts to bloom from 6 to 8 weeks after planting and continues until heavy frosts. After planting, you will receive its spicy fragrance all during the summer and fall. It is perfectly hardy and the flowers are borne to the height of 15 to 20 inches. A flower garden is not complete without this beautiful Carnation. 45c each; 2 for 80c; 4 for \$1.40; 10 for \$3.00. Net, no discount.

Select Fancy 2 Year No. 1

JUMBO SIZE ROSE BUSHES

**All Roses are Wrapped in Westhauser's
Soil King, Which Can Be Used
for Transplanting**

This year, as never before, there is a severe shortage of Roses. The survey shows there is only half of a crop, due to weather conditions and labor shortage. Next year will witness the same as there is not enough wood for the cutting and budding.

All are 2-yr., Jumbo size, budded, Northern field-grown bushes which are recognized by Rose lovers to be the best obtainable at any price. All are guaranteed to give an abundance of blooms 6 weeks to 2 months after planting and will continue to bloom until killing frosts, repeating this each year.
